<p><i>Voting Policy Rationale: Director elections will be referred to LFDE for internal review. A vote FOR the election of David Lowden is warranted, although it is not without concern because:- Apart from his role as Non-executive Chair designate of the Company, he also serves in various roles at other publicly listed companies, which could compromise his ability to commit sufficient time to his role in the Company.</i></p>

12	Approve Remuneration Report	Mgmt	For
<p><i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. A vote FOR the remuneration report is warranted but not without concerns:- The EPS target maximum for the FY2022 PSP awards was reduced to 12% from 14% in the previous years' awards, and there was no reduction in the size of the award.- The CFO received a 7.4% increase in salary, which is above the 4% rate of increase for the Company's general workforce. Similar increases are planned for her salary in the following two years.- The fee for the incoming Board Chair is c. 79.3% higher compared to his predecessor. The main reasons for support:- The Company's explanation with reference to its strategy in achieving the performance targets, and the factors that may affect EPS growth over the three-year performance period, are noted. It is also noted that there is an ROATCE underpin on the EPS metric.- The resultant salary of the CFO and the fee for the incoming Board Chair do not raise significant concern in isolation. The Company's performance and shareholder experience for the year under review are also recognised.</i></p>

2	Approve Consolidated Financial Statements and Statutory Reports	Mgmt	For
3	Approve Allocation of Income and Dividends of EUR 1.26 per Share	Mgmt	For
4	Approve Auditors' Special Report on Related-Party Transactions	Mgmt	Against
	<i>Voting Policy Rationale: A vote AGAINST the approval of the proposed Auditors' special report on related party transactions is warranted as the rationale and price setting process for the recharge of the remunerations of the CEO Joachim Kreuzburg and Vice-CEO René Faber to Sartorius Stedim Biotech SA is unclear. Furthermore, until this year, the company maintained the transaction despite being rejected by shareholders at the last three consecutive general meetings.</i>		
5	Approve Remuneration Policy of Directors; Approve Remuneration of Directors in the Aggregate Amount of EUR 331,800	Mgmt	For
6	Approve Compensation Report of Corporate Officers	Mgmt	For
	<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. A vote FOR this remuneration report is warranted, although the following concerns are raised:- There is a partial lack of responsiveness following shareholders' dissent at the previous AGM while there has been serious concern regarding the poor practices of remuneration over the past FYs. - The amount used for the calculation of the CEO pay ratio is not relevant. The main reason for support is that the company improves some of its practices for FY22.</i>		
7	Approve Compensation of Joachim Kreuzburg, Chairman and CEO	Mgmt	For
	<i>Voter Rationale: Nous approuvons suite aux discussions lors de l'analyse ESG d'il y a 1 mois très satisfaisantes</i>		
	<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. A vote AGAINST this remuneration report is warranted because:- Part of the remuneration at Sartorius level is invoiced to the company according to an undisclosed breakdown methodology making the amounts in the report very difficult to understand or assess. - The company fails to disclose achievement levels for respectively short and long-term variable remuneration. - The Chairman and CEO received an exceptional payment amounting to EUR 23,000 and the company failed to provide a compelling rationale.</i>		
8	Approve Remuneration Policy of Chairman and CEO	Mgmt	Against
	<i>Voting Policy Rationale: A vote AGAINST is warranted because:- Accelerated or full vesting of unvested awards in case of departure cannot be excluded. Please note that despite the positive change of approach as to the determination of the remuneration policies of executives, the proposed remuneration policies raise several concerns:- The bonus criterion disclosed can be freely modified by the board. - The company fails to disclose a binding cap for the bonus and LTIP. - The company does not specify a policy for exceptional payments. - The remuneration granted is still paid by Sartorius AG then invoiced. Also note that:- The Chairman and CEO is entitled to a termination package the amount of which may exceed 24 months of the latest cash compensation. The maximum payment could reach 2.5 years of remuneration. However, it's unclear whether the amount is determined solely on the basis of the fixed remuneration or includes the variable remuneration as the company refers to the "annual salary".</i>		
9	Approve Remuneration Policy of Vice-CEO	Mgmt	Against
	<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. A vote AGAINST the Vice-CEO remuneration policy is warranted (Item 9) as this policy is submitted for the first time to shareholders' approval.</i>		
10	Authorize Repurchase of Up to 10 Percent of Issued Share Capital	Mgmt	For
	<i>Voting Policy Rationale: The share repurchase program can be continued during a takeover period. However, the company is controlled in terms of capital as Sartorius AG owns 73.8 percent of the company's capital.</i>

8	Approve Remuneration Policy of Chairman and CEO	Mgmt	For
	<p><i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. A vote FOR the chair/CEO's remuneration is warranted although it raises the following concerns: - Under the 2022 LTI grant, the relative TSR condition and the EBITDA condition would allow substantial vesting below median performance or target respectively. - The CSR condition under the 2021 LTI could allow 100% payout if two out of the three underlying criteria are met. As for the diversity and reduction intensity GHG emissions, the targets have already been achieved during FY21, which questions their relevance. - The LTI structure would allow the compensation between the three performance criteria. - Under the termination agreement, the indemnity could be 100% acquired while only 75 percent of the performance over 3 years is achieved. - In very exceptional circumstances, the board could still use its power of discretion to allow vesting of the ongoing LTI plans to the executive who voluntarily resigns from his office. The main reasons to support are: - The company provided additional information on their benchmarking exercise allowing to assess that, following the proposed increase, the chair/CEO's remuneration level would be rather aligned with the remuneration of the executives in the third quartile of the benchmark. - In the event of voluntary departure, the board committed to limit the retention of the right to acquire such shares, per plan issued, to one-third of the shares awarded for each year of presence and to integrate that change in the 2023 policy. - The company committed to reconsider the structure of the authorization to issue performance shares plans that will be presented at the 2023 AGM. We will carefully monitor the implementation of a performance share plan with characteristics in line with recommended guidelines and market standards.</i></p>

A vote FOR this remuneration report is warranted, although the following concerns are raised: - As last year, under the 2021 LTI grant, both the EBITDA and the relative TSR-related criteria, weighing 75 percent of the structure, would allow vesting below target. - Under the 2019 LTI plan that vested during FY 2021, the underachievement of the business volume criterion was offset by the achievement of the other two criteria. The main reasons for support are: - The vesting level below target was reduced at the 4th sextile is reduced from 75% to 50% from the previous remuneration policy under the LTI's criterion on the relative TSR. - The absence of any other significant concern.</i></p>

4	Approve Auditors' Special Report on Related-Party Transactions Mentioning Two New Transactions	Mgmt	For
<i>Voting Policy Rationale: Please note that: A vote FOR the auditors' special report is warranted although it raises some concerns since it includes new and ongoing lease agreements with entities controlled by the chair/CEO and the company's main shareholder. The rationales provided regarding these transactions are considered incomplete.</i>

9	Approve Remuneration Policy of Chairman and CEO	Mgmt	For
<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. Please note that: A vote FOR this remuneration policy is warranted although it raises concerns since: - The company proposes a significant increase of base salary for the chairman and CEO. The main reason for support is: - The company discloses a compelling rationale regarding this increase.</i>

<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review.</i>			
11	Approve Compensation Report	Mgmt	For
<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. A vote FOR this remuneration report is warranted, although the following concerns are raised: - The scope of employees underlying the methodology of the CEO pay ratio is below the recommended scope by the Afep-Medef code. The main reasons for support are: - There are no other concerns.</i>			
12	Approve Compensation of Simon Azoulay, Chairman and CEO	Mgmt	For
<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review.</i>			
13	Approve Compensation of Gerald Attia, Vice-CEO	Mgmt	For

<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. Please note that: A vote FOR the remuneration report of vice-CEO Marcel is warranted although it raises some concerns as the company maintained his employment contracts without providing a rationale. The main reasons for support are: - The end of his executive corporate mandate during the year in review. - The absence of any other significant concern.</i>

16	Authorize up to 0.61 Percent of Issued Capital for Use in Restricted Stock Plans	Mgmt	For
<i>Voting Policy Rationale: A vote FOR this resolution is warranted although it raises some concerns since: - The company does not provide the targets of performance conditions underlying the performance share plan. The main reasons for support are: - The list of beneficiaries does not include the executive corporate officers; and - The other terms of the proposal are not deemed problematic.</i>

1	Receive Financial Statements and Statutory Reports for Fiscal Year 2021 (Non-Voting)	Mgmt	
2	Approve Allocation of Income and Dividends of EUR 0.84 per Share	Mgmt	For
<i>Voting Policy Rationale: LFDE will review this item internally. - The payout ratio is more than 80 percent (i.e. 81.55 percent).</i>			
3	Approve Discharge of Management Board for Fiscal Year 2021	Mgmt	For
4	Approve Discharge of Supervisory Board for Fiscal Year 2021	Mgmt	For
5	Ratify KPMG AG as Auditors for Fiscal Year 2022	Mgmt	For
6	Approve Remuneration Report	Mgmt	For
<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. A qualified vote FOR the remuneration report is warranted because: - Ex-post disclosure under the LTIP 2018 remains vague and part of the vested awards were not subject to any performance criteria. - A special bonus for fiscal 2020 was paid during the year under review. The main reasons for support are: - The company's remuneration practices and disclosures are in line with, and exceed in many respects, market practice. - A new remuneration system was approved at the 2021 AGM, under which all LTI awards are subject to performance conditions.</i>

3	Approve Remuneration Report	Mgmt	For
<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. A vote AGAINST this item is considered warranted because the Company's Remuneration Policy received significant dissent at the 2021 AGM (c.39% against) in light of concerns around the significant increases to both fixed and variable pay. In spite of this feedback from shareholders, no material actions have been taken to address these concerns in the remuneration outcomes: - The Executive Directors will receive the second of their above-inflationary increases for FY2023. - Significant increases to the bonus and LTIP were both actioned immediately and in full.</i>

10	Re-elect Jo Harlow as Director	Mgmt	For
<i>Voting Policy Rationale: Director elections will be referred to LFDE for internal review. A vote AGAINST the re-election of Jo Harlow, in her capacity as Chair of the Remuneration Committee, is considered warranted because: - The Company's response to significant dissent to the Remuneration Policy at the 2021 AGM is considered insufficient. No material changes were made to the proposals, see Item 3 for further analysis.</i>

Proposal Number	Proposal Text	Proponent	Vote Instruction
1	Accept Financial Statements and Statutory Reports	Mgmt	For
2	Approve Remuneration Report	Mgmt	For
<i>Voting Policy Rationale: Compensation-related items will be referred to LFDE for internal review. A vote FOR this resolution is warranted, although it is not without concerns because: - There have been consecutive material increases in the Executives' base salaries (FY2021 and FY2022) and their maximum bonus opportunities (FY2022 and FY2023), leading to material increases in total pay opportunity. - Limited detail is provided with regard to the non-financial measures of the annual bonus scheme. The main reasons for support are: - The salary increases were as previously communicated to shareholders and are not out of line with companies in the FTSE 100. Further, the increased bonus opportunities remain within the approved remuneration policy and are accompanied with increased bonus deferral. - No further material concerns have been identified.</i>			
3	Approve Final Dividend	Mgmt	For
4	Elect John Shipsey as Director	Mgmt	For
<i>Voting Policy Rationale: Director elections will be referred to LFDE for internal review.</i>			
5	Re-elect Alison Platt as Director	Mgmt	For
<i>Voting Policy Rationale: Director elections will be referred to LFDE for internal review. A vote FOR the re-election of Alison Platt is warranted: - The Board does not include at least one ethnically diverse director. As Nomination Committee Chair, she is considered ultimately responsible for board diversity matters. The main reasons for support are: - Alison Platt is relatively new to the role of Nomination Committee Chair, having been appointed in January 2022 and it would be reasonable for her to be given time to address board diversity concerns. - Compliance with the Parker Review's recommendations was required for FTSE 100 constituents by 2021, however, the Company only joined the FTSE 100 Index in December 2021. - The Company commits to achieve the ethnic diversity target on Parker Review upon the recruitment of the Remuneration Committee Chair.</i>
