Dear Sir or Madam,

You are a shareholder in Echiquier Agenor Mid Cap Europe, a sub-fund of the Echiquier SICAV managed by La Financière de l'Échiquier, and we would like to thank you for your trust.

We would like to inform you that, as of 24 February 2026, a number of minor changes will be made to the sub-fund's regulatory documents:

### **Change to the investment universe**

The analysis universe now includes securities assessed by the management company using its proprietary model, with a geographical filter for Europe and a filter for maximum market capitalisation corresponding to the largest capitalisation of the MSCI Europe Mid Cap Index. (This upper limit of the universe is updated annually).

This change gives the management teams more flexibility without changing the fund's strategy or the range of eligible instruments.

Our sales teams will be happy to answer any further questions you may have about these changes.
