Furthermore, some additional changes have also been made in the following sub-funds:

- **ECHIQUIER AGENOR MID CAP EUROPE FUND**

The capitalization size of the targeted shares has been increased (below €10 billion) to allow the management team to retain shares whose capitalization has increased compared to their size at the time of the investment, while the share has potential, and thus avoid the constraint of having to sell it/them.

- **ECHIQUIER PATRIMOINE FUND**

The level of exposure, through the master fund “Echiquier Patrimoine”, to the equity market is reduced to a maximum of 35% of the sub-fund’s net assets. This change has been effective in the master fund “Echiquier Patrimoine” since April 9, 2019.

- **ECHIQUIER ENTREPRENEURS SMALL CAP EUROPE**

The capitalization size of the targeted shares by the master fund “Echiquier Entrepreneurs” of the sub-fund has been increased (below €1,5 billion) to allow the management team to retain shares whose capitalization has increased compared to their size at the time of the investment, while the share has potential, and thus avoid the constraint of having to sell it/them.

The amount of assets under management of the master fund “Echiquier Entrepreneurs” from which the management company reserves the right to apply the subscription fee as indicated in the Prospectus increases from EUR 450,000,000,- to EUR 500,000,000,-.

The Board of Directors confirms that these changes have no significant impact of the risk profile of the relevant sub-funds.

Finally, investors who do not approve the amendments to be implemented in the Prospectus have one month from the date of this notice to request the redemption of their shares free of charge, by submitting a redemption request in accordance with the procedure described in the Prospectus.
